

OMPH School Scene

Thank You, Summer Volunteers!

It was certainly a busy summer at OMPH School! Throughout the summer days and weekends many volunteers stopped in to lend a hand helping us get ready for the new school year. OMPH students, graduates and parents helped with our summer cleaning. Desks, bookcases, filing cabinets and computer tables were moved to the hallways so classroom floors could be scrubbed and waxed. Walls were cleaned and windows sparkled again. Volunteers worked alongside professionals to renovate the bathrooms in the elementary wing. Teachers and student helpers unpacked books and new learning materials, delivered supplies to the classrooms and decorated the hallways. Members of our Technology Team spent their weekends doing routine maintenance and making sure classroom computers were ready for the new school year. Our dedicated gardeners weeded throughout the summer to care for our beautiful flowerbed dedicated to our Blessed Mother. The faculty, staff and students deeply appreciate the many, many hours spent by our volunteers helping to prepare for the new school year. May God bless them for their generous spirit and gift of time!

It's the First Week of School!

The first day of the 2017-18 school year for OMPH students is tomorrow, August 28th! We are so excited to kick off the 60th Anniversary of Our Mother of Perpetual Help School! Here are some important dates you will need for the first week of school. Mark your calendars!
