

Our Mother of Perpetual Help SCHOOL SCENE

August 2, 2020

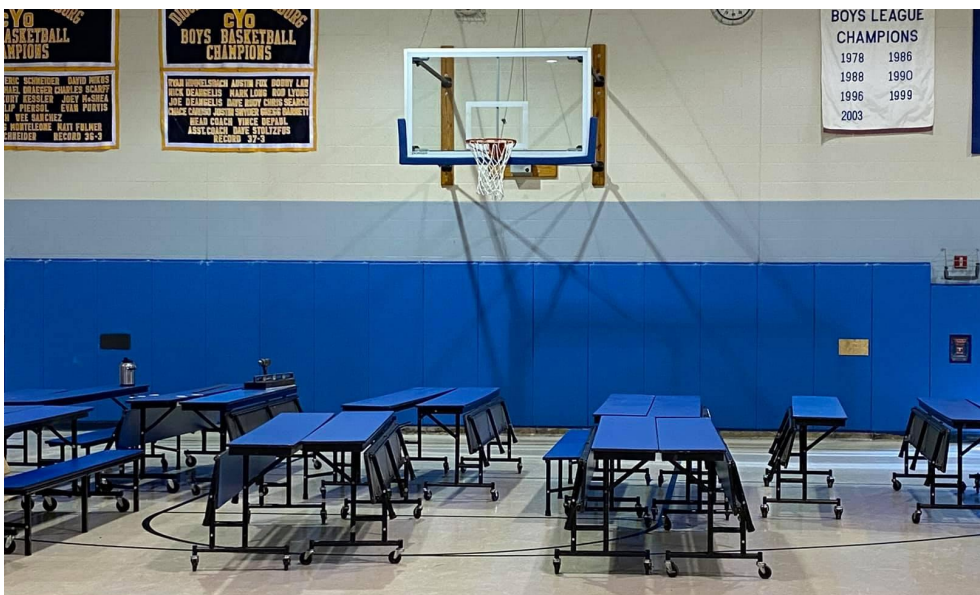

Summer School Work

Over the last couple of months, the school has been cleaned and is now being prepped for the 2020-2021 school year. One of the most exciting projects of the summer was the installation of our Gym divider (pictured above) and protective wall pads (pictured below). We extend a very special thanks to our Athletic Association for their dedication and support of this special project.

In addition to the gym projects, OMPH also completed several projects to improve the security of the school building. These updates help to ensure the safety of our students and staff.

Plans for the opening of school this fall are progressing daily. We are working with our faculty, staff, and the Diocese of Harrisburg to best prepare for the upcoming school year.
