OMPH Catholic School Children Adopt a Grandfather!

We were very proud to have recently adopted Mr. Walter Zaleskie as our “Grandfather of OMPH Catholic School Children.” Over the last several years, Mr. Zaleskie and his family have been very generous to OMPH through their support of time, talent and financial gifts. They provided air conditioning for the classrooms in the main building, fulfilled many wishes on our “Wish Trees” and have been very generous benefactors of our Treasure Island Auction. In addition, they have helped to make possible the introduction of the LabLearner Science program which included a significant upgrade to our Science Lab and supported our initiative to establish a 1:1 Chromebook program in Grades 5-8. The family has also worked closely with our Development Office in providing financial insight. Through their family business, Cliffside Industries, the Zaleskies have provided scholarship funds to the Diocese of Harrisburg’s Neumann Scholarship Foundation with a designation to OMPH Catholic School, which provides tuition assistance to families through Pennsylvania’s Educational Improvement Tax Credit (EITC) program. By their participation in this state directed program, the Zaleskie Family has helped many of our school families give their children the gift of a Catholic education. Mr. Zaleskie’s love and caring for OMPH Catholic School is strong and unyielding. He is always looking out for the best for our children and wants to see our school grow and flourish with God’s love. We are deeply appreciative of Mr. Zaleskie’s dedication to our children.
