Box Tops for Education

OMPH School will again participate in the Box Tops for Education Program. We will continue to collect the box tops from packaged goods as long as they are available. These may be placed in the container on the school stand in the narthex of the church or dropped off in the school office.

However, Box Tops is moving to a new program to fit today's families. The new and improved Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add Box Tops credits to your designated school's earnings online. Your qualifying purchases can be redeemed online anywhere, anytime within 14 days of purchase. Each box top is still worth \$.10 and our school's earnings are automatically updated online. To get started just download the Box Tops for Education app from the App Store or get it on Google Play.

A total of \$519.30 was earned from the Box Top program during the 2018-2019 school year which was used to support the advancement of technology in our classrooms.
