## OMPH School Presents Awards During Catholic Schools Week Mass

Each year during Catholic Schools Week, OMPH School recognizes individuals who have made significant contributions to the support of our school and to furthering Catholic education in our parish. This year, two **Friend of Our Mother of Perpetual Help School** awards were presented at the Catholic Schools Week Mass on Sunday, January 28th. The first award was presented to Mr. Ned Schneider, a familiar face around OMPH Parish and School for the past 35 years.

Mr. Schneider is currently a senior engineer and design team leader for High Concrete Group. He has dedicated many years of service to OMPH Parish, serving on the Parish Council, the Planning Committee, and as a member of the Knights of Columbus. Mr. Schneider has also volunteered his time to our school, as a board member and coach for the OMPH Athletic Association, and as a member of our OMPH School Board. In addition, he previously served as president and board member of the Lancaster Girl's CYO League. The second award was presented to Theresa Novotnak, who has been a vital member of OMPH Parish for over five years. During that time, she has been involved in many organizations at OMPH, including Religious Education, Sacristan in Training, and the Parish Council. Miss Novotnak most recently worked at the Most Precious Blood School in Hazelton. Miss Novotnak is a familiar face around OMPH School! She serves as a substitute teacher often, and is an aide in our elementary computer classes. She assists with our Scrip gift card program and volunteers her time in the school office whenever needed. We thank Mr. Schneider and Miss Novotnak for giving their time and sharing their talents with our school and parish. OMPH is very blessed to have Mr. Schneider and Miss Novotnak, and we congratulate them on these well-deserved awards!
