## WHAT IS THE EDUCATIONAL IMPROVEMENT TAX CREDIT PROGRAM?

**Rick Miller, President of iDrive Interactive,** feels *“the EITC program is a hidden gem. It only took me a few minutes to apply, it benefits all OMPH families by helping to keep tuition costs down, and unlike other charitable contributions which are simply tax deductible, the EITC program provides me with nearly a dollar for dollar credit on my annual PA State tax bill. This is a very powerful way for me, and other business owners alike, to provide financial support to OMPH with very little cost to me. As far as I’m concerned, I have two choices, I can pay the money to the State of PA in taxes or I can use the same money to benefit the many families of OMPH. For me, the choice is simple. I will continue to support the EITC program as long as I can, and I strongly encourage other businesses to do the same.”*

The Educational Improvement Tax Credit (EITC) Program gives you the opportunity to make a difference in your own community and give a child the chance of a lifetime. You may be interested to know more about this opportunity and how your business or your employer can make a direct impact on Our Mother of Perpetual Help School, its students, and families. Not only does this program improve a student’s chance to receive an education at a school of their choice, but it also results in a tax credit for businesses and the money stays in our community. EITC tuition scholarships are awarded to 43% of Our Mother of Perpetual Help students. Many families would not be able to send their children to OMPH School if it were not for these scholarships. Consequently, 100% of the families are affected because it allows OMPH School to offer an affordable, quality education to everyone! If you are interested in finding out more about the EITC Program, please go to [www.omph.org](http://www.omph.org) or contact our Development Office at 717-738-2414.
