Thank You, Summer Volunteers!

It has been a busy summer at OMPH School! Throughout the summer many volunteers stopped in to lend a hand helping us get ready for the

new school year. OMPH students and graduates helped with our summer cleaning by moving desks, bookcases, filing cabinets and computer tables to the hallways so classroom floors could be scrubbed and waxed. Walls were cleaned and windows sparkled again. Teachers and student helpers unpacked books and new learning materials, delivered supplies to the classrooms and decorated the hallways. Members of our Technology Team met on weekends to complete routine maintenance, install a new server and set up our new Chromebooks for the 6th, 7th and 8th grade students. Our dedicated gardeners weeded throughout the summer to care for our beautiful flowerbed dedicated to our Blessed Mother. New mulch was placed in the Tot Lot and around playground equipment to assure the area is safe for the children. The faculty, staff and students deeply appreciate the many, many hours spent by our volunteers helping to prepare for the new school year. May God bless them for their generous spirit and gift of time!
