Forty Hours Devotions

The school children had the opportunity to participate in our parish Eucharistic Devotions spending time with Jesus present in the Most Blessed Sacrament. Rev. Matthew Allman, C.Ss.R. met with the students and spoke about the various types of prayer as well as sacred vessels as the tabernacle and the monstrance, and the special vestments worn by the priest at Mass. Time was also spent in prayer and adoration.

Family Prayer Opportunity

Again this year, each week a Family Prayer Bag will be sent home to a different school family. We are inviting our families to pray the Rosary for the families of our school community and for children around the world. Families are invited to write their name and draw a favorite religious symbol on the bag before returning it to school. We thank God for the many blessings He has bestowed on our school community and ask for His continued support.
